Revision 1

GRAS / Inactive Ingredients Database (IID)

MEGGLE Products:

- Lactose Monohydrate (USP-NF / Ph. Eur. / JP): GranuLac® 70 US, GranuLac® 140 US, GranuLac® 200 US
- Anhydrous Lactose (USP-NF / Ph. Eur. / JP): DuraLac® H

The products conform to the monograph "Lactose Monohydrate" or "(Anhydrous) Lactose" in the USP-NF, Ph. Eur and JP. The monograph has undergone pharmacopoeial harmonization.

The above mentioned products are considered "Affirmed as GRAS" as they are in compliance with FCC monograph "Lactose" and 21 CFR §168.122.

The above mentioned products are listed on the United States FDA Inactive Ingredients Database.

Best regards
